Because I've  
been using so much  
Ki without the  
Ice Orb Clock...

The damage  
from Ki poisoning is  
resurfacing...

A little  
more...

Just a  
little more...

Remove your  
hand from my  
daughter!!

I can heal  
this woman.

but my body  
won't hold out...

My con-  
science...

Really, now...

I can't bear to  
watch you guys  
any longer.

My back is  
vulnerable!!

I need to gather  
Ki around my back  
and protect my-

....!!

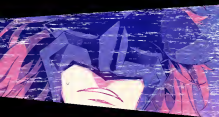

I wanted you to know...  
that there are people who  
will keep their loyalty  
to you no matter what.

00:00:00

please do not  
suffer any longer...

...!!

Yes...

I've already  
decided...

Where the last of my  
Ki will be spent...!!

Chapter 3  
Beauty and The Beast - 03

H...  
How...

I definitely  
hit him with Yun  
Hwan Pol Yeol jang,  
didn't I...?

Ma Seol-chun,  
you must be  
delusional.

The Blood Arts that  
our Master was trying to  
teach us does not end  
at the 4th rank.

The true  
final rank of  
Blood Arts...

is the 5th rank!!

Don't...

Don't kid  
around!

That's impossible...!  
Do you know how  
much I've suffered just  
to attain the 3rd rank?!

It doesn't end  
at the 4th...

but the  
5th?!!

The only chance  
the gods gave  
me to kill you...

helped you  
instead!?!?

When you hit me with  
Yap Hwaan Poi Yee! heh,

I used the last of  
my Ki to save the  
women before me.

The moment I  
used up all of my Ki.

A skill of the same  
affinity hit me...

Instead of killing me,  
I needed the AI poisoning  
that's been left in my body!!

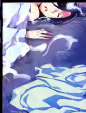

Because of the huge risk,  
I could not even  
think about trying  
something like that...

In the end,

the chance that's  
been given to me...

has been granted  
by that woman, whose  
loyalty knows no bounds....!!

It's not  
fair...

Why do you  
have all the luck  
in the world...?

Why am I still  
unable to catch  
up to you?!

Why are  
you able to  
master it.

while I  
cannot?!!

Do  
not make  
excuses.

It wasn't  
about luck.

nor was it about  
what luck might've  
brought you.

Your greed  
and selfishness  
is endless.

You blame  
others instead  
of yourself!!

And now...

It's fine for you  
to pay the price!!

Don't mess  
around!!

If you make a  
wrong move,  
I'll kill this  
woman...

W-What just happened...?!

Was that the  
air from swinging  
his fist...?!

I told you:  
I won't repeat  
myself

Step back

and

receive your  
punishment

Uuu...

What are you  
all doing?! Get rid  
of that man!!

No matter how  
much you squint,  
you won't escape!

Dear

Damen  
@...

Yes, yes  
I understand!  
I'm sorry!!

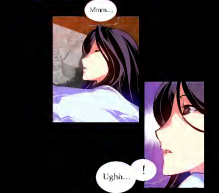

I'll ask for  
forgiveness  
and atone for  
my sins....

Mia, Seol-chan

Ask for  
forgiveness...

from our  
Master in the  
underworld.

Oh my-  
My lady, you've  
finally awoken.

...!

Wh...  
Who...?

Your father  
hired me.

Because you  
weren't properly dressed,  
he needed someone who  
knew what they  
were doing...

Hwa  
Ryung!

Are  
you okay!?

I...  
Father...?!

What happened...?

No no, don't move yet.

Even if your inner wounds have been treated, the doctors recommended that it'd probably be for the best if you rested for a while. So we stopped by an inn in the village.

...!!

This is...?

That man, Ghost Mask, said that thanks to the Ice Orb Clock, your temperature has been regulated.

However, he recommended that you wear it because the Yang Ki may disturb your body again...

...!

Is that  
right...?

Then, I must  
go and return it  
to him later...

Many months later

I like you  
without the mask  
much more.

!

Ah...

I've come to  
return what I've  
borrowed.

Yes.

How  
are you?

Thanks to you  
I've recovered.

That aside,

Your face does  
not look like a  
Ghost Mask at all.

...

Is that a  
compliment?

Of course.  
My Lord.

...  
Since I've  
successfully attained  
the 5th rank of Blood Arts,  
most of my old wounds  
have healed.

However, it  
can't return the  
sight I've lost.

But thanks  
to these eyes.

I was able to truly  
see the woman named  
"Hwa Ryung" in  
front of me.

...

May I...

Take  
those words as a  
compliment?

Of course.

They are a  
compliment.

The Blood Arts...

Doesn't  
end at the 5th  
rank...!!
